

NORTHBRIDGE INSTITUTE OF TECHNOLOGY

NB-CC-08 • Student Code of Conduct and Academic Integrity Policy

Document Control	Details
Policy Code	NB-CC-08
Effective From	01 August 2026
Approved By	Student Affairs Council
Status	Current

1. Purpose

This policy defines standards of student conduct, academic integrity, responsible use of institute resources and procedures for addressing alleged misconduct.

2. Academic Integrity

Students shall submit their own academic work except where collaboration is expressly permitted. Plagiarism, fabrication, unauthorized assistance and impersonation are prohibited.

Use of generative AI tools shall comply with instructions issued by the course instructor or assessment authority.

3. Digital and Information Resources

Students shall not attempt unauthorized access to institute systems, restricted databases or another person's information.

Institutional credentials shall not be shared. Malicious use of computing resources is prohibited.

4. Examination Misconduct

Unauthorized communication, prohibited materials, impersonation and attempts to obtain unauthorized assistance constitute examination misconduct and may be referred to the Examination Committee.

5. Disciplinary Measures

Category	Examples	Possible Measures
Academic Integrity	Plagiarism, fabrication, unauthorized assistance	Warning, grade consequence, disciplinary action
Examination Misconduct	Unauthorized materials, communication, impersonation	Cancellation, suspension, further action
Digital Misconduct	Unauthorized access, credential misuse, service disruption	Access restriction, suspension, disciplinary action
General Misconduct	Threats, harassment, serious disruption	Warning, restriction, suspension or other approved measure

6. Reporting and Review

Concerns may be reported through the designated Student Affairs channel. Students subject to proceedings shall be informed of the allegation and provided an opportunity to respond.

7. Relationship to Other Policies

Examination misconduct may also be governed by the Examination and Assessment Regulations. Placement-related misconduct may affect placement privileges under the Placement and Career Services Policy.
