

NORTHBRIDGE INSTITUTE OF TECHNOLOGY

NB-PL-07 • Placement and Career Services Policy

Document Control	Details
Policy Code	NB-PL-07
Effective From	01 August 2026
Approved By	Career Development Centre
Status	Current

1. Purpose

This policy governs student registration, employer participation, placement eligibility and conduct during institute-facilitated recruitment.

2. Placement Registration

Students seeking institute-facilitated placement services must register with the Career Development Centre and maintain an updated profile.

3. Eligibility

3.1 General Eligibility

Eligibility for a specific recruitment process is determined by employer criteria and institute requirements stated in the recruitment notice.

3.2 Academic Eligibility

Where an employer specifies CGPA, arrears, skill or graduation requirements, students must satisfy those criteria at registration.

4. Recruitment Participation

Students who register are expected to attend scheduled assessments and interviews unless an approved exemption is obtained.

Students shall not misrepresent qualifications, experience or academic records.

5. Offer Acceptance

A student who accepts an offer shall follow applicable placement commitment rules. Exceptions or withdrawal requests must be submitted to the Career Development Centre.

6. Conduct

Professional conduct is required throughout placement activities. Misconduct may result in suspension of placement privileges and may also be referred under the Student Code of Conduct.
